### CYLINDRICAL OPEN-TOPS

Sierra

Sierra Sales cylindrical open top tanks can be utilized as primary process or mix tanks or for secondary containment of an inner tank. All open top tanks are available in high-density linear polyethylene (HDLPE) - black and natural white color, which complies with FDA regulation 177.1520 and NSF standard 61, as well as cross-linked, high-density polyethylene (XLPE) - black and natural white color.

### VERTICAL OPEN-TOPS

Vertical Open Top product designs incorporate an inward top flange lip, which provides optimum container structural integrity.
